COLUSA COUNTY DEPARTMENT OF PUBLIC WORKS
EVANS ROAD LANDFILL
CLOSED CLASS III LANDFILLS

The Evans Road Landfill is a 123-acre, closed landfill facility about seven miles southwest of Williams. The landfill facility operated from 1970 to 2001, accepting primarily household, construction and demolition, and industrial wastes. The site previously operated as a burn dump from 1967 to 1972. Three unlined evaporation ponds (7.5 acres total) and a pesticide container disposal area, all closed as landfills, were also historically operated at the facility.

Further information about the facility and the proposed requirements can be found in the Findings and Information Sheet of the tentative WDRs available on the Central Valley Water Board's website at:

www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders.

A public hearing concerning this matter will be held during the Regional Water Board meeting, which is scheduled for:
